The Valley of Dreams

A new & unique 18-hole championship golf course, “Katathong Golf Resort & Spa” one of the most challenging and escape to a tin mine era legend. The course layout is situated amidst idyllic views of lush palm trees, large lake, verdant mountains and stunning landscape. It’s an extreme golf experience that you will be impressed while playing and offers challenging play for beginners and advanced golfers.

Katathong Golf Resort & Spa designed to harmonize with the natural landscape, offers lush green mountain views from every angle with courses that follow the natural contours of the land featuring undulating hills, sand traps and a beautiful natural reservoir. But the course is not as tranquil as you might expect, with an abundance of natural waterfalls and streams, the air is filled with the sounds of cascading water.

Exceptional views of the golf course, complete facilities, complete with driving range and golf academy, warm hospitality and professional services will make your golfing at Katathong Golf Resort & Spa a joyful and unforgettable experience.

OUR FACILITIES

Katathong Golf Resort & Spa provides a Katathong Tower designed in charming Sino-Portuguese architectural style and comes with 360 degree panoramic views of natural beauty.

- Clubhouse with full facilities
- Pro shop
- Locker rooms with amenities
- 12-bay driving range with golf academy
- Short game practice area
- Restaurant & lobby bar
- Private dining room in the Katathong Tower which offer 360 degree panoramic views
- 200 person of conference room
- Dhamma Resort with meditation center for seminarian.

Experience the signature holes 10 which is surrounded by water and you have to drive the ball over the enormous lake from an elevated tee down onto the wide green, hole 17 that you will drive the ball over invisible green and hole 18, a tough finishing hole that golfers must hit tee off over 200 yards to crossover the water and be in a good position to be on the green. The extreme challenge to be skilled!
